

# MINI ADVENTURE

This activity is slightly different to what you have done before. It is a treasure hunt / car rally in a fleet of Mini Coopers.

We start by meeting in London at a pre-agreed venue (could be your offices). We announce the teams and allocate drivers to their vehicles (drivers must be over 25 with a clean license.) There is a maximum of 4 persons to each car.

The briefing includes rules of engagement (we are very clear that this is NOT a race but a rally – a treasure hunt in cars). Each team is kitted out with a rucksack containing clue sheets, a decent map, and either a wide format Fuji Instax Polaroid Camera or a 4G enabled iPad loaded with our unique, geo location treasure hunt app.

Once the briefing is done – teams are free to depart to make their way towards the event venue.

Once they get to the final destination, answers are collected, car keys handed over and then well earned drink enjoyed whilst we work out who has won.

This activity is fun, clever, creative and competitive. Drivers....start you engines!

## DURATION:

Half day – Full Day

## THEMES:

Teamwork, Competition,  
Discovery, Fun, Shared Team  
Experience

## ENVIRONMENT:

Outdoor

## FUNCTION:

Team building, Incentive,  
Conference activity
