

MOSAIC CHALLENGE

The Mosaic Challenge is a fantastic and engaging activity that lends itself to indoor or outdoor participation and the results are truly inspiring.

Teams start off by being asked to create an image – either on a theme relating to the company or on any theme they choose.

Now – using glue, plaster and image boards – each team creates a unique and colourful Mosaic with tessera, that will last for years and hopefully be displayed in your offices for ever after.

DURATION:
3-4 hours
